

14 days that will shake the Porn Industry

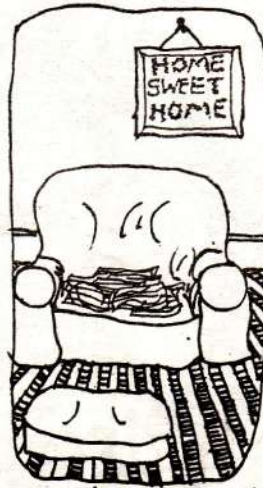

The Porn. collection begins....

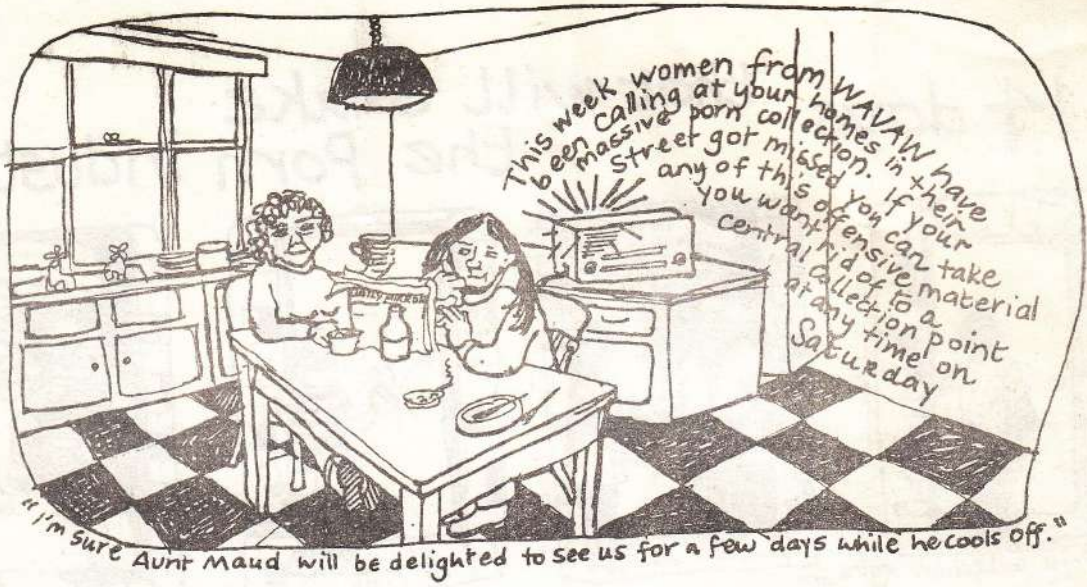

and continues.....

He used to hide it all over the house - and when I said I'd had enough, he didn't take it with him.

.....in streets all over the country.

And on Saturday night...

all day Monday.....

Jamming the 'phone lines of sex shops and Cinemas....

"One day (soon) you will rot in hell" - sex shops and Cinemas....

"We know who you are and we know you distributed 'Snuff'"

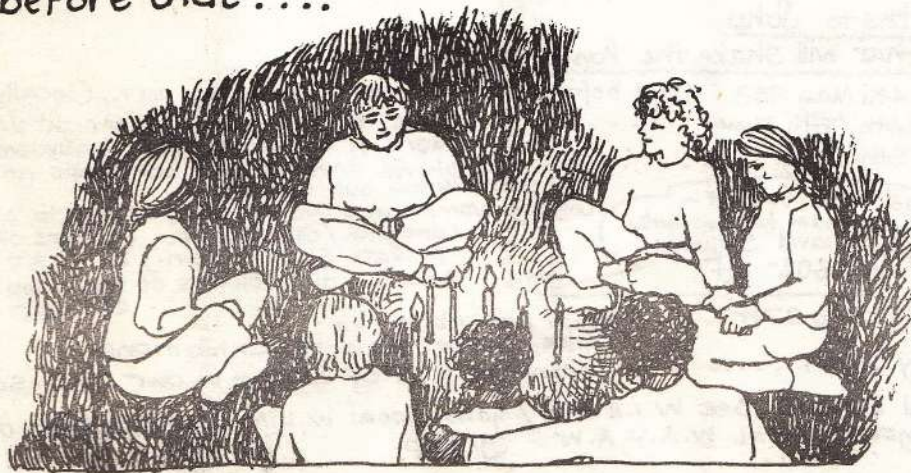

(blank space for you to be inventive cartoonist & friends are finding it difficult to be polite)

"Forn Stinks" (empty silence)

..... and letting them know our opinions.

but before that....

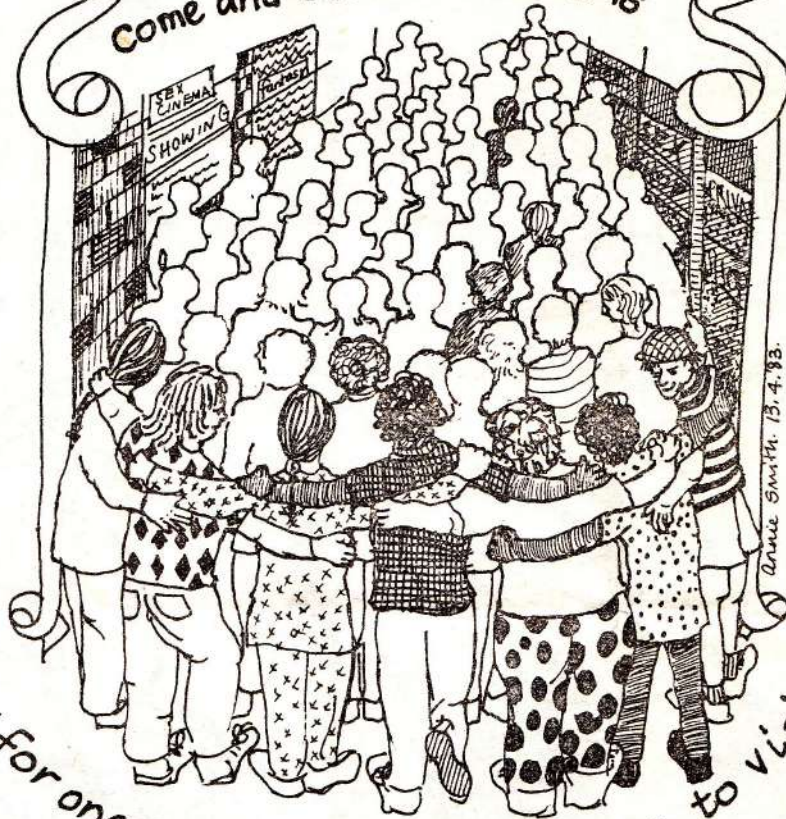

an overnight vigil in memory of all women raped and murdered by men.

Then on Saturday
we all go to London....

28th May 1983
womens tour of

SOHO

come and see how bad it is

Anne Smith 13.4.83.

and for one night no man will dare to visit
the sex-shop metropolis

from Smiths to Soho

14 days that will shake the Porn industry.

Saturday 14th May 1983. (and before) Collecting & destroying porn. (locally).

14th/15th May. ----- In some towns & cities: Overnight vigil in memory of all women raped & murdered by men.

Monday 16th May. ----- Jam the phone lines to local sex-shops and cinemas. Let them know our opinions.
