Dear Sir,

I sent the enclosed letter to NCROPA as dated but Ted Goodman informs me that the address has recently changed. I enclose my membership fee and hope to hear from you shortly.

Yours sincerely,  
A Baron

Dear Sir,

I would like to join NCROPA and enclose my subscription. Mark Taha tells me that you are going onto the Internet. I am on the Internet - as you can see - and as the manufactured controversy of computer porn is likely to be of great concern in the future I would be happy to help out in this area. Mark does quite a bit of work with me in this field.

Yours sincerely,  
A Baron
