To whom it may concern.

○ Saw a reference to yourselves in 'Desire' magazine. Please send details - I'll happily send you a small donation.

○ One thing that intrigued me was the mention of 'personal use tolerance' - I travel abroad a lot and have never seen a reference to this on HMC notices at ports etc.

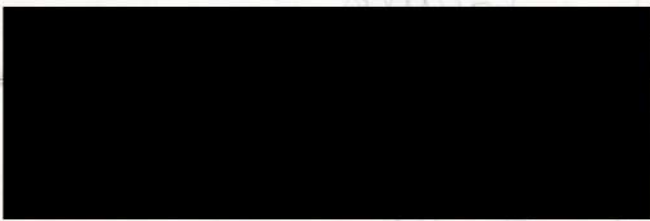

I also had some correspondence with HMC

by letter and over the telephone
last year. They sent a long list
of things they considered 'obscene'.

Again, there was ~~no~~ mention of
'personal use tolerance'. Any info.
etc. would be appreciated.

Look forward to hearing from you.

Best Regards,
