COUNTDOWN ON SPANNER

Countdown on Spanner is a mixed sexuality campaign of sadomasochists and our friends formed to support the nine Spanner defendants jailed for consensual SM activities.

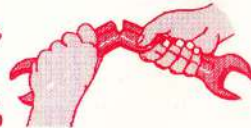

Our aims are: to raise £100,000 towards the cost of taking the case to the European court; to encourage a network of SM support groups across Britain and to promote SM as a valid sexuality in its own right.

To further these aims, Countdown on Spanner organises SM Pride annually, coordinates fundraising activities both in Britain and abroad and makes information available through workshops, pamphlets and manuals such as "The Doggy Bag".

In London, Countdown on Spanner holds monthly workshops. These are held on the last Sunday of each month at Central Station, a friendly mixed gay pub (address below, nearest tube Kings Cross). Workshops run from 8.30pm and are preceded by a one hour campaign planning meeting.

March to party. March to protest. March to be seen. March to pull

- There are so many reasons to march with us. This year will see the third annual SM Pride March. We need you to be on it.
- As the Spanner campaign prepares for the coming battle in Europe, we need your presence on the streets. We need to show this Government that both in the streets and between the sheets we won't be intimidated or oppressed.
- Each year hundreds of sadomasochists, pervs and our supporters of all sexualities march to show people that we are here and that we are human, and that we are not going away. Don't hide anymore, march and be visible.
- Each year hundreds of pervs pull on their gladrags and march through London. Lets swish up Park Lane and slosh down Picadilly. Lets party on the streets like every year! SM Pride March. Hot 'n' horny pervs of all sexualities run amok through central London!
