TREAT!**

Louis Pearl, *The Amazing Bubble Man* comes to London's West End, direct from the Edinburgh Festival Fringe, where comedy legend Arthur Smith picked the show as one of his five festival highlights in *The Sunday Times Culture Magazine's 'My Must Sees'*.

Louis Pearl has been thrilling audiences around the world for decades and now brings the art, magic, science and fun of bubbles to the London Palladium. From square bubbles, bubbles inside bubbles, fog-filled bubbles, trampoline bubbles to flying UFO bubbles and even people inside bubbles, this wondrous 75 minute show guarantees shrieks of laughter and gasps of amazement from all ages.

With infectious enthusiasm, *The Amazing Bubble Man* explains some fascinating facts about bubbles, bringing science to life and into the realm of fun. As well as exploring the dynamics of bubbles, the show combines breathtaking art, a diversity of music, non-stop comedy, ingenious sets and lighting, plenty of audience participation and enough spellbinding bubble tricks to keep every child and adult mesmerised.

Step inside the riveting world of bubble-ology and let your spirits soar as high as the bubbles!
