- (i) The public may leave at the end of the performance or exhibition by all exit doors and such doors must at that time be open.
- (ii) All gangways, corridors, staircases and external passageways intended for exit shall be kept entirely free from obstruction, whether permanent or temporary.
- (iii) Persons shall not be permitted to stand or sit in any of the gangways intersecting the seating, or to sit in any of the other gangways. If standing is permitted in the gangways at the sides and rear of the seating, it shall be strictly limited to the number indicated in the notice exhibited in those positions.
- (iv) The Safety Curtain must be lowered and raised in the presence of each audience.

SMOKING IS NOT PERMITTED IN THE AUDITORIUM

Miss Anna Russell has most generously agreed that the proceeds of this concert will be used to help in establishing Gordon House, a guest house for the disabled at Cowden, Kent. Gordon house caters especially for people physically handicapped through multiple or disseminated sclerosis, poliomyelitis, etc., and is intended to provide them with a normal family atmosphere while at the same time supplying the special care which they need. It is particularly suited for patients who are normally looked after in their own homes but who need somewhere else to go to from time to time while their families are away for holidays or other reasons.
