**MEET THE BOUNCERS:** Les, Judd, Ralph and old hand Lucky Eric. They've seen it all. On club night, they'll be there. Checking out the action. Looking cool. Stepping in to break up a fight. Just don't get them started...

In this all new, updated version of John Godber's timeless comedy, four nightclub bouncers portray more than twenty different characters: giggly girls, lads on the make, pogo-ing punks and a smooth-talking DJ – set against the tatty, glitzy glamour, flashing lights and pulsating beat of the dance floor.

**"It is easy to see why Bouncers remains John Godber's most successful comedy"**  
(Liverpool Post)
