ABOUT NEXT WEEK'S PLAY

"Mrs. GIBBONS' BOYS." Written by the two very successful Playwrights Will Glickman and Joseph Stein "Mrs. Gibbons' Boys" is a snappy and witty comedy concerning an American family.

Mrs. Gibbons has three sons whom she believes (and leads her friends to believe) have all done extremely well for themselves and hold wonderful positions in the business world. What a surprise is in store: As the sons arrive home and the story unfolds, there is laugh following laugh in one of the most amusing plays for many a day.

"Mrs. Gibbons' Boys" recently had a most successful run at London's Westminster Theatre and has only just been released for performance by Repertory. Don't Miss it.
