ABOUT NEXT WEEK'S PLAY

"A MURDER HAS BEEN ARRANGED" is from the pen of one of England's leading playwrights, Emyln Williams, and has been acclaimed as one of the best thrillers presented to the theatre for many years. Packed with suspense and stark drama the action starts from the very beginning of the play and builds swiftly through to a terrifying climax. The audience do not have to wait whilst the plot is unfolded as in most thrillers, because it happens with terrifying suddenness as soon as they take their seats in the theatre. THE MURDER IS COMMITTED IN THEIR MIDST.

For lovers of drama this is one of the outstanding events presented in this theatre.
