ABOUT NEXT WEEK'S PLAY

"DARK IS THE MEMORY" which is being presented next week is written by Lennard Pearce, a popular member of the Leeds company of Court Players. Lennard will be remembered for some fine performances at the Prince's last year.

This gripping play tells the story of a doctor with a semi-invalid wife who has a mistress in his house-hold. When the wife is found dead in her room the son becomes suspicious, and not without reason! Things come to a climax with a finale of startling drama and pathetic tragedy.

"Dark Is The Memory" is a play not to be missed.
