FINDING YOURSELF

Finding Yourself Offside is a
BRAND NEW PLAY
which made it's DEBUT at
HoveGrown Festival 2018
and due to popular demand
we've brought the drama
to Brighton Fringe
for the first time and
before we take it to London.

It's a universal story
about IDENTITY,
SELF-DISCOVERY,
and QUESTIONS
why
professional
footballers
can't be OUT
in public...

FINDING YOURSELF OFFSIDE written by Tristan Wolfe

...a gripping 60 minute drama tackling the issues of coming out from 2 different perspectives. 2 guys in seperate therapy...
2 very different issues with being open..

"..really enjoyed the play!
