# Save 23 Lewisham Community Centres from demolition!!

# PROTEST!

- **Lewisham Council wants to sell or demolish** most of our community centres and stop permanent staffing at 4 libraries.
- **Pressure from campaigners** meant the Mayor has promised 500 new council homes by 2018 – but he's let developers have the best sites – sometimes for free – and wants to build on Community Centres to keep his promise.
- **Hundreds of activities for young and old** take place in these centres every week. Closures will affect the quality of life for us all and libraries need trained staff to operate effectively.
- **We need all our community centres and libraries.**
- **What you can do:** tell Steve Bullock, the Mayor, of your concerns. Email [Mayor@lewisham.gov.uk](mailto:Mayor@lewisham.gov.uk) or write to: Mayor's Office, Civic Suite, Catford, SE6 4RU

**The Mayor will decide the issue on**

**Wednesday 11th November**

**Come to demonstrate beforehand from 5.30pm  
at the Civic Suite, Catford Rd, SE6 4RU.**

**Then we'll go into the meeting and make  
points to the Mayor.**

**If you've had enough of the cuts and want to help save  
Lewisham's Community Centres and Libraries then join  
us and bring posters, banners, musical instruments.**
