# MUMS the WORD

The stuff nobody tells you about parenthood...until it's too late.

Whether it's leaving the house without your bra, crying in the Supermarket aisles for no reason, or secretly thinking you had given birth to E.T. You won't feel alone when listening to these women portray the "beauty" of bringing new life into the world... or forgetting where they left it.

An uplifting, honest, heart-warming show that will have you roaring with laughter and reaching for the tissues. Mum's The Word takes you on an emotional ride through pregnancy pitfalls to teenage tantrums.

*Suitable for 16+ and mums of all ages!*
