5,000 YEARS OF CIVILISATION — LIVE ON STAGE

EXPERIENCE

The Mystique and Beauty of China Before Communism

Shen Yun presents an epic production that takes you on a journey through 5,000 years of Chinese civilisation.

Featuring one of the world's oldest art forms — classical Chinese dance — Shen Yun brings to life the enchanting beauty and profound wisdom of ancient China.

This civilisation, once believed to be a gift from the heavens with its deep spiritual roots and profound worldview, was displaced by the communist regime in China. Today, except in China, this precious heritage is being revived around the world.

Watch maidens dance with ethereal grace, warriors triumph on the battlefield, and miracles transpire for those who believe.

Watch 5,000 years unfold before your eyes, from myths and legends to timeless wisdom.

Join us for the experience of a lifetime. Rediscover the ancient gift from the heavens that offers hope for today's world.

CHINA'S TRUE CULTURE BEARERS

MANY OF SHEN YUN'S artists escaped oppression at the hands of China's totalitarian regime—a regime that is at war with past traditions, religion, and its own history. Finding refuge in the U.S., these world-class artists carry with them in every leap and note a powerful sense of freedom, dedication, and beauty, all rooted in a deep spiritual past. For Shen Yun, all this is reflected in the meaning of its name: the beauty of divine beings dancing.

“Mesmerising! Reclaiming the divinely inspired cultural heritage of China.”

—Donna Karan, fashion designer (DKNY)

“Really out of this world! There is no word to describe it... If I had to, the words might be ‘divine,’ ‘reborn’ and ‘hope’... You have to see it to believe it.”

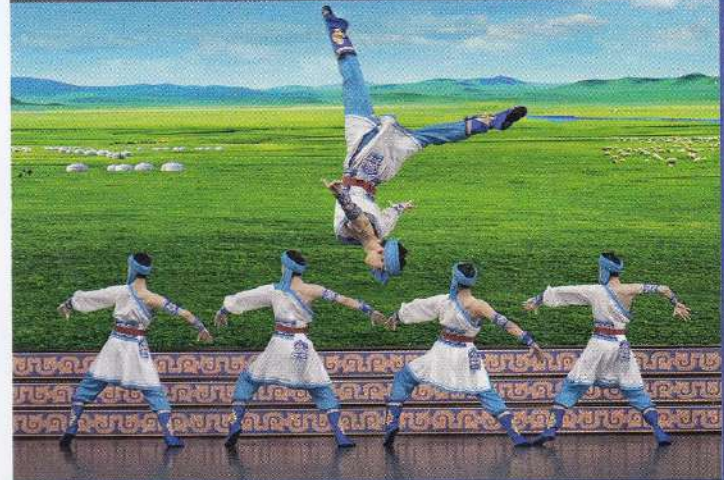

—Christine Walevska, Master Cellist

“There is nothing beyond this... I was in tears, because the human spirit, the dignity, the power, the love, coming out of those people was astounding.”

—Jim Crill, former television producer

MUSIC THAT RUNS FIVE MILLENNIA DEEP

Music is such a big part of every Shen Yun performance—from the live orchestra that accompanies each dance to the vocal and instrumental solos on stage. Shen Yun's orchestra is one of a kind, harmoniously blending the distinct beauty of ancient Chinese instruments with the grandeur of a Western orchestra. The result is a gorgeous and vivid sound with great emotional range—perfect for bringing to life the soul of an ancient civilisation.
