**STB: THE VIRGIN ISSUE**

Two horny English porn agents have a great idea to get some cheap teenage pussy. They place an advert in the local paper looking for teenage girls who would like to lose their virginity in front of a live internet webcam. It's all a scam of course, but that doesn't stop three interested young British girls applying and losing their cherries to the cocky con men. The video opens with Laura and Asha calling each other to discuss the advert. The thought of losing their virginity gets them both hot, and they enjoy a bout of phone sex with each other as a result. Arriving at the agent's office, the pair do a bit of girl/girl in front of the guy, who quickly realises he cannot cope with both of them and calls for his mate to assist. Both girls get their tight pussies thoroughly fucked. Young looking Maha is the next teenie to answer the advert. She takes both guys on herself, producing some great anal action and some superb pussy fucking too. Fabulous action from the UK, featuring three gorgeous British girls! Excellent picture quality

**PEEPSHOW SPECIAL 1 + 2**

This series from Private features British non-professional housewives and girls, who could well be from your hometown. In *Volume 1*, beautiful Karen is persuaded to take part in a porno film. She slowly loses her inhibitions as she sucks and fucks wildly. Gorgeous blonde Laura visits the countryside where she is seduced and fucked in her tight little arse. Forty year old housewife Marianne has sex with three guys in a bar. Air hostess Holly sucks on a hard dick, and then her virgin ass is spread for a good long fucking. *Volume 2* starts with Tanya, who is talked into having sex with monster hung black stud Omar. She greedily swallows his cum, and then rewards the photographer by letting him work off his hard cock over her face. A 42-year-old female physiotherapist slowly strips to reveal a great body. Her orgasms are genuine as she takes two good mouthfuls of cum, licks up the lot, and begs for more. A young blonde photo model is spread over the director's desk for a long hard shafting, culminating with a surprised look on her face as the cum splatters over her. Finally, a young lad sets his nineteen year old girlfriend up to be filmed. He fucks her in every position, before she bounces her petite body onto his hard cock for one of the hardest anal fuckings you will see. To end the video she swallows a load of cum, and licks up what she missed. An explosive three hours of British babes! Excellent picture quality. **175 MINI/ENGLISH SOUND ORDER: H-678 PRICE: was £25, your price £10 Video Only**

**OMAS & OPAS IM SEX RAUSCH + OLD COCKS & CUNTS**

**BRITISH SLUTS & BUTTS: (OLDER) AMATEUR HOUSEWIVES 02**

A selection of older British housewives (all 45 or above) in this amateur production filmed especially for STB. Hillary is pretty, sexy and dirty. Out in the countryside she finds a spot where she can flash her stockings and knickers, and take Gerry's cock into her mouth. Gerry reciprocates, using a large dildo and his tongue to good effect. Hillary has her first orgasm of the day and has hardly got over it before Gerry slides his cock in her pussy. A good shagging in a variety of positions leads to Karl joining in the fun. Hillary had been a little unsure of another person joining in her sex games but another stiff cock in her mouth sorted her out. Gerry is obviously turned on by seeing this and slips his cock into her virgin arse, slowly and carefully, but all the way. A great session, one not to be missed. Anne is outside sucking and fucking on Kris's big hard dick. She is a very attractive lady but complains that she does not get enough sex at home. She makes up for it that afternoon, getting a good long, hard shag from Kris before he fills her face with loads of creamy cum. Lynda is 54 but is in great shape and, once over her initial shyness, starts by giving two guys a good sucking followed by a good, hard fucking. She then bends over while Karl pushes his hand into her arse! This is followed by a good hard arse fuck before she receives loads of hot cum. (This scene is also in dvd TN-1683 on page 3). Chris and Rosemary are on holiday from Croydon where they run a pub. Rosemary, with her hairy pussy, proves to be quite a sexy landlady as she brings herself to a quick climax with a giant dildo. Karl sticks his dick into her mouth and the action just hots up from there. She loves sex and orgasms continually as she gets fucked in every position. She is bent over the settee with a cock deep in her hairy pussy and one in her mouth, then bounces up and down on a dick on the settee with her legs held over her shoulders for extra deep penetration. She takes the first of four loads of cum in her face before the action continues. The pizza man comes to bring some food and squirts his lot all over her without even saying thank you. This is a real dirty, sexy scene, featuring a beautiful, slim, dark-haired older lady. Finally, slim 48 year old Christine wants a gang-bang. After sucking on three cocks, she gets a large vibro stuck right up her tight arse and a large hand pushed right up her bald pussy. A great selection of more mature British ladies for your pleasure! Excellent picture quality **150 MINI/ENGLISH SOUND ORDER: H-1052 PRICE: was £25, your price £10 Video Only**

**BEN DOVER'S ENGLISH MUFFINS**

Our own chirpy Cockney with the monster cock returns with another collection of amateur English babes. First Ben comes across mouth-watering Melanie cycling in the woods. He persuades her to come home with him and fuck and suck him and his mate, and then talks the eighteen year old into letting him shave her pussy. Randy redhead Andrea then turns up for a quick casting, as she bends over for Ben's pleasure. Next up is Hayley, a fresh and cute girlie. In a hotel room, Ben puts her through her paces and soon has her sucking cock and savouring a good hard banging. A stunning blonde eighteen year old then samples cock on film for the first time, and proves to be a real natural. Her friend goes one better, and spreads her cheeks to welcome a huge cock up her tight virgin ass. Finally, Nicky and Lisa are hot for some kinky action with Ben and his assistant. They suck and fuck with wild abandon, and even piss and get pissed on for Ben's camera in a scene that is only available in this uncut European version. Hot stuff! Excellent picture quality. **130 MINI/ENGLISH SOUND ORDER: H-723 PRICE: was £20, your price £10 Video Only**

After another nine person orgy, two girls take part in a oral sperm jamboree with six guys. The girls dribble the sticky goo into each other's mouths and lick it out of their assholes. #### ROGUE ADVENTURES 4: THE BIG ASS SHE MALE ADVENTURE CONTINUES

The fourth volume in the best she-male series ever released. Director Joey Silvera is an innovative pornographer, and it can be safely said that those with a taste for the well-hung wench will have another field day here. The video follows around a handful of great-looking heeshees and makes the most of tease sequences before the hot action begins. Silvera creates a "something for everyone" ambience, reversing the numerical combinations of tranny-to-male pairings, even having one of the lady-men fuck the girlfriend of a curious bisexual guy. One thing is for sure - these trannies are not for display purposes only. They function as well as their male counterparts, and there is no cheating either when it cums to pop shots! Very good to excellent picture quality 140 MINI/ENGLISH SOUND ORDER: B-784 PRICE: was £20, your price £10 Video Only

### CHICK EXTREME 18 + 19

Two releases from this ultra-hardcore Dutch series. Number 18 starts with a lesbian domination encounter with latex outfits, cunt-licking and anal dildo use. Then a girl dominates her boyfriend. He gets his ass whipped then is fisted anally by his mistress before she fucks him with a strap-on. In returns he fists and then pisses on her. Two girls have a lesbian fisting session, before two slavegirls and a rubber-suited male slave take part in a sex session orchestrated by a leather-clad mistress. The first episode in Number 19 is another latex lesbian duo with pussy shaving and fisting. Then a latex and leather-clad couple fuck before a duet in which a guy fucks his girl, shaves her pussy, fists her then fucks her ass. In the final scene a master whips his slave girl, fucks her, ties her to a bed and drips hot candle wax over her body, then cums in her mouth and pisses on her as a finale. Hard action with kinky overtones and some gorgeous-looking girls too! Excellent picture quality 175 **MINI/ENGLISH SOUND ORDER: H-771 PRICE: was £25, your price £10 Video Only**

### INZEST 14 + FAMILIEN SEX 4

Two releases from Germany based on this taboo subject. In *Inzest 14*, Auntie catches her nephew masturbating to a porn mag. She takes over from the mag, and gets the fucking of her life culminating in a huge facial from the horny twenty year old. Then two pairs of female kissing cousins have two hot lesbian sessions, with tongues lapping labias and a double dildo for added spice. *Familien Sex 4* is titled

*Hotel Inzest*, and that sums up this crazy family run hostel in which father and mother, aunt and uncle, and brother and sister just can't keep their hands off each other and the guests. Some excellent scenes with old and young getting it on with each other in this hot, hot release. Totally live sound in both films, albeit in German, enhances the atmosphere. Excellent picture quality. 170 **MINI/GERMAN SOUND ORDER: H-693 PRICE: was £25, your price £10 Video Only**

### PAIN 62 + 65 + 66

A triple bill of hard German S&M. In *Stern Discipline From A Loving Master*, leather master Carls deals harshly with his cowering girl slaves. Whips crack on their aching backs, their breasts and cunt lips sag under heavy weights, coarse ropes are used to tightly bind their bodies, and sharp needles are pushed into their skin. In *Die Meister*, two slaves are whipped, paddled, clamped, have a wire brush inserted up their pussies, and made to sit on a pad of sharp tacks. Finally, in *SM Studio 2*, two nuns have offended the brotherhood and have sins to confess for which they must be punished. The monks' punishment is harsh and features pegs, canings, sparklers and hot candle wax. Hard stuff from the Germans! (Only two cover photos shown) Excellent picture quality 180 **MINI/GERMAN SOUND ORDER: H-1106 PRICE: was £25, your price £10 Video Only**

### JUST ANOTHER DAY AT ST STRIPES (A TRILOGY)

A great British spanking video from Red Stripe Productions. Six naughty schoolgirls are given detentions at a girl's boarding school for various breaches of discipline. The Headmaster lectures them about breaking the rules, then informs them that three female teachers will each administer punishment. Miss Robinson punishes Emily and Nicole for cheating. After bending each girl over her knee, she pulls down their knickers and delivers a hard bare-hand spanking. After that, out comes the school strap and then the school cane to bring tears to the eyes of both girls. Miss Chambers takes over to give a particularly hard beating to Samantha and Sarah, which leaves both girls with highly visible bruises and welts on their behinds. Finally Miss Brown punishes Susan and Natalie with hand, strap and cane, again leaving these girls visibly red and bruised. The very best in British school discipline! All models 18+ Excellent picture quality (no sexual action in this video, just spanking discipline) 98 **MINI/LIVE ENGLISH SOUND ORDER: H-1364 PRICE: was £20, your price £10 Video Only**

### ANNE HORSE LOVER 4 + DOG'S PLAYTIME

Our animal videos are the real thing, although we do not print the video covers due to the type of material. From Euro Video, Anne the horse lover is back showing she has not lost her desire for horse dick. Then, in *Dog's Playtime*, a horny animal smells his mistresses cunt and wants to fuck her. The dog does, both front and rear! Very good to excellent picture quality. 125 **MINI/LIVE SOUND ORDER: A-657 PRICE: was £20, your price £10 Video Only**

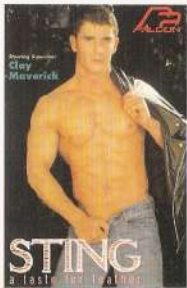

### WELCOME TO THE CATHOUSE (LESBIAN TITLE)

Set at a lesbian country club, this gets off to a screeching start with a threeway between Claudia Chase, Charlie and Stephanie Swift that includes anal beads, dirty talk and dildo action. From then on, the video does not let up. Shay Sweet rubs her pussy on Malitia's knee, pulls out the blonde's strap-on, fucks it, then takes it up the ass bent over a pool table. After sexy solo interludes, Anita Cannibal horseys Alexandra Nice with a strap-on and "cums" all over her face. Club customer Azlea joins Jennifer Worthington on stage for some muff diving and double penetration dildoeing. This scorching stuff is a prelude to the ten-women orgy finale which includes TJ Hart, Gina Ryder, Nicole Lace, and blockbuster femmes Felicia, Marilyn Star, Temptress and Roxanne Hall. The scene is hot and playful, with lots of kissing, labia-lapping, Hart and Temptress getting strap-on fucked, Felicia taking a dildo in her pussy and a vibe in her ass, and much more. A Best All-Girl Video award winner! Excellent picture quality **95 MIN/ENGLISH SOUND ORDER: H-742 PRICE: was £20, your price £10 Video Only**

### STING - A TASTE FOR LEATHER (GAY TITLE)

A leather romp from Falcon. Tristan Paris does his stuff with a cigar-chomping Clay Maverick before a lengthy leather orgy sequence that begins when 18 year old cutie Chip Knoll is kidnapped and taken to a dungeon where a group of tops are waiting. Electricity ignites and damn near short circuits the place. Highlights include Aussie Dylan Reece slamming himself down on hunky college jock Cameron Fox's cock, Chad Kennedy hopping from big dick to bigger dick like the voracious pig-bottom that he is, and beautiful Argentine Jeff Palmer and French stud Virgil Sainclair taking turns slamming their internationally huge gifts into birthday boy Noll's little white butt. The final scene has some nice moments too, with Palmer fistfing Thom Barron and Addison Scott doing likewise to Christopher Scott. All the men are typically gorgeous Falcon gods. Excellent picture quality. **90 MIN/ENGLISH SOUND ORDER: G-660 PRICE: was £20, your price £10 Video Only**

### HIGH SOCIETY (GAY TITLE)

An excellent release from the Action Boys series. High Society is an exclusive brothel that specialises in providing cute boys for the pleasure of young, rich gentlemen. A male cleaner is ravaged by a young blond guest while tidying his room, and the two suck and fuck to orgasm. Then a young guy arrives to be entertained and dominated by two of the cutest boys. Handcuffed and bent double, he takes a cumshot in his face and on his gaping asshole before shooting his own load into his mouth in a memorable scene. A strip show for all the boys and guests follows, leading to two youths pairing off for some heavy anal action. In a threeway, one boy rides the stiff cocks of the other two in turn before a final threeway circle suck which develops into some hot fucking and good cumshots. Great action with some very good-looking German boys. All models 18+ Excellent picture quality. All models 18+ **120 MINS/GERMAN SOUND ORDER: G-802 PRICE: was £20, your price £10 Video Only**
