

BOROUGH OF STRATFORD - UPON - AVON
Official Accommodation Register

of
Hotels,
Guest Houses,
Boarding Houses,
Restaurants & Cafes

*Issued from the Information Centre,
Chapel Street, Stratford-upon-Avon*

1951

THIS REGISTER, though not an exhaustive list, includes nearly all the Hotels, Guest Houses and Boarding Houses of importance in Stratford-upon-Avon. The inclusion of an establishment in the Register does not imply recommendation, and the Corporation can accept no responsibility for complaints made against individual establishments. Justified complaints of unsatisfactory treatment will be given careful attention, however, for record purposes, and should be made, in writing, to the Information Officer. Establishments in respect of which there are material grounds for complaint will not in future be invited to apply for inclusion in the Register. Charges given in the Register are not binding, but it is hoped that they will be adhered to as far as possible.

BOOKINGS. Prospective visitors are urged to write direct, at the earliest possible date, to their selected Hotel or Boarding House. The Information Officer cannot normally undertake to arrange bookings during the season. Any requests of this nature which are received will be dealt with by the issue of a weekly circular, issued to selected Boarding Houses and Hotels, giving the names and addresses of applicants, and the accommodation required. If no offers of accommodation are received within 14 days of writing to the Information Officer, the probability is that accommodation is not available. On receipt of a further request, however, the Information Officer will then circularise the requirements to the remaining establishments. The fullest possible details of requirements should be given when applying. Prospective visitors are requested, as a matter of courtesy, to answer all offers of accommodation received from proprietors of Boarding Houses, &c.

It is regretted that no assistance can be given in arranging bookings unless at least 10 days' notice is given. For the assistance of visitors, however, the Information Centre in Chapel Street remains open in the early evening during the summer months, on week-days only, and maintains a record by telephone of casual vacancies in accommodation in the town.

THE SHAKESPEARE FESTIVAL at the Shakespeare Memorial Theatre extends in 1951 from March 24th to October 27th. The programme is issued in three parts, for each of which a charge of 2d is made, plus 1d postage. The Box Office is open from December 18th, 1950, to accept bookings for the first 14 weeks of the Festival. All enquiries for programmes and tickets should be addressed to the Box Office Manager, Shakespeare Memorial Theatre.

The following may be obtained, while in print, from the Information Officer, The Information Centre, Chapel Street, Stratford-upon-Avon: "Stratford-upon-Avon," by Levi Fox, M.A., F.S.A., a 40-page book, with 12 full-page illustrations, in a special cheap edition, with an attractive cover, at 2s post free.
