**Sydenham Arts are
now a registered

Top News

After a very successful 2015 Summer Festival we are delighted to have been voted Sainsbury's Sydenham Local Charity Partner 2015-16. Look out for us in store promoting our activities and events. We are also thrilled that Lewisham Council have made a three year commitment to fund us, acknowledging we are a key community arts organisation in the borough.

What's Next

This October will see the launch of our 'Friends of Sydenham Arts' scheme. Want advance information on upcoming events, priority booking, reserved seating and invites to special receptions? Becoming a Friend will give you all of this whilst helping us grow and flourish. From as little as £10 per year your support will bring the arts into our community all year round with festivals, special events, entertainment, education projects and outreach. Please find more information on our website or email friends@sydenhamarts.co.uk.

Later this year our Happenings Festival will weave theatre, music, film and dance into the heart of Sydenham. Full details will be released this Autumn.

Don't forget we are continuing to provide an exciting programme of entertainment alongside the regular open-air markets in Sydenham Road, every 2nd Saturday of the month.
