

MARCH 4 MORE CO2!

London July23! March 4 RealScience! Debate! Expose ClimateCon! Details #March4MoreCO2 telegram & c

STOP Just-Stop-Oil SYOP Fake science - used to start “Carbon-footprint” monitoring via Digital-ID/Job passports to CONTROL You!
Fight this plan of the World Economic Forum, war criminal Tony Blair, Boris, the servile fake opposition Starmer & his Fake Left.

Man-Made Climate Change does not Exist!

Download this brilliant Real Science paper by highly qualified physicists Piers Corbyn & Philip Foster => www.WeatherAction.com

CO2 levels FOLLOW Temperatures - they don't drive them!

WE CHALLENGE Govt 'scientists', The Royal Society, IPCC, Imperial College, XR/Just-Stop-Oil / 'Truth+ Justice', The LOT, to provide **ONE** science paper showing with **REAL** Data that CO2 changes drive world temps. **THERE are NONE!**

CO2 is The Gas Of Life!

It's Plant Food, NOT a pollutant – Life abounded 300 Million years ago when CO2 levels were 10x now!

Fight REAL chemical + plastic pollution & defend biodiversity!

NO-ONE who's read Piers' & Philip's science papers can seriously argue AGAINST!

OIL IS NOT A FOSSIL!

WHO must GO!

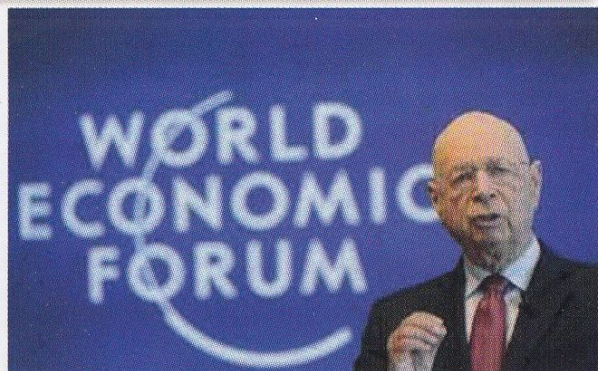

Break W.H.O - W.E.F shadow World Govt Plan!

The USA Biden administration proposed 13 draconian amendments, to the International Health Regs (2005) of the World Health Organisation (W.H.O) in Geneva 22-28 May. The amendments effectively surrender national sovereignty to an embryonic New World Tyranny Govt - and were **strongly backed by UK ministers!** African countries, Brazil and some others opposed so they weren't agreed then - **BUT THEY WILL COME BACK** in a modified form.

The UK must Leave the WHO! -WHO-EXIT!!

- The moves mean that if corporate funded entities declare another 'emergency health crisis' of any nature sovereign national laws would no longer apply and bodily autonomy will be lost to the so-called 'Common Good', meaning Big pharma, Big Tech and mega billionaires profit under new corporate world communistic-Fascist tyranny.
- Under the proposals the Director General of the WHO, currently Tedros Ghebreyesus (who has no medical training) or 'regional directors' could declare any 'health emergency', eg the new '100 day world 'pandemic' jab program' - without consulting States concerned and issue diktats, backed by blackmail and massive surveillance that violate sovereign law and even violate your bodily autonomy.

Klaus Schwab, chief of WEF - World Economic Forum (**set-up by the CIA**) wants to make the W.H.O the lead organ of New World Tyranny (Order) **shadow World Govt**

Write to your MP! Sign the petition! Let's get a Million!

Do not sign any WHO Pandemic Treaty unless it is approved via public referendum - Petitions (parliament.uk)

The World Economic Forum must be DESTROYED!

BREAK The 6 legs of the New World Tyranny/Order!

The World Economic Forum 'Great Reset' / New-World 'Order' has 6 LEGS, like a cockroach, to control, exploit and reduce world population under a new world 'Technocracy' government through AI, Digital-ID and massive tyranny and control - foreshadowed in UN Agendas 21 & 2030.

THEY are 3 mental/psychological (1-3) & 3 physical (4-6) means of CONTROL via attacks on Rights & Freedoms:-

1. **The virus Con.** Covid19, a type of flu-cold or whatever it may be, is no more dangerous than flu. The WHO moves to a binding world pandemic Treaty & '100day jab programs' is a WEF-WHO move towards world govt.
2. **The Climate Con** is not to control Climate it's to control YOU. **Man-Made-Climate-Change does not exist** - download the science paper on www.WeatherAction.com by physicists Piers Corbyn +Philip Foster.
3. **Never-Ending WAR to brainwash & control.** Orwell warned us. The 'War on Terror' to control the population is replaced by the War in Ukraine (BBC version). **EXPOSE THE WAR CON!**
4. **Covid Jab programs aren't to control a virus, they are to control YOU!** They don't work. They cause injury & death. **Death** rates have shot up after jab programs in all countries. **They're a Slow Kill.** As Dr Michael Yeadon former VP Pfizer says: **End ALL Cv Jab programs NOW! JABBED & JAB-FREE, UNITE!**
5. **Mass 5G comms, and AI** isn't to help you, it's to control you and everything including AI-farming. The high frequencies used are provenly dangerous - inducing covid-like symptoms. They're especially dangerous to children who have thinner skulls. **Save Our Children! TAKE-DOWN 5G! Stop the 'Future of Farming' plan!**
6. **Digital ID inc vax/health ID, financial tracking & AI, The Cashless Society** - which can be turned on and off (like Chinese Social credit system). It is being **imposed by stealth**; by creating food +Energy crises and price hikes in a new "war/crisis economy" which will ration and control. **The Ukraine regime is in the forefront of Digital ID imposition / AI "advances". KEEP CASH! STOP Digi-ID! STOP WATCHING ME**
