

St Christopher's

More than just a hospice

11-15 September 2017

We've teamed up with local solicitors who will kindly waive their usual fee to create or update your Will, in return for a donation to St Christopher's Hospice.

The best way to ensure your wishes are met after you are gone is with an up-to-date Will. So why not sort out your affairs, get peace of mind and help St Christopher's at the

same time? Legacy gifts are hugely important to us and make up 27% of our income. These gifts are enormously valuable to St Christopher's and those we care for, and are of course warmly and gratefully accepted.

During 11-15 September 2017 please contact one of our Will Week solicitors (overleaf), quoting the phrase under their contact details, to make an appointment at a mutually convenient time for your Will to be drawn up. In return for their time, participating firms ask that you support St Christopher's with a minimum donation of £150 for a simple Will or £200 for a pair of simple mirror Wills. Of course, any additional donations, or gifts within the Will, will be gratefully received.

To learn more about Will Week, or for any enquiries about leaving a legacy gift to St Christopher's, please contact Helen Wheeler, Legacy Fundraiser, on **020 8768 4715** or at **h.wheeler@stchristophers.org.uk** or visit **www.stchristophers.org.uk/willweek**

Every year it costs over £20 million to deliver our services, of which approximately £14 million must be fundraised. The generous support of people like you enables us to continue to support patients and families living with a terminal illness, free of charge.
