Press Release

strictly embargoed until 20th April 1993

InfoText Manuscripts announces the publication of EUSTACE MULLINS: ANTI-SEMITIC PROPAGANDIST OR ICONOCLAST? WITH NOTES ON GLOBAL DECEPTION, JANUARY 1993

Contains an in-depth interview with Mullins, a report on the conference and a selected bibliography of conspiriology.

Please note: review copies are slight "seconds".

The bottom of page 44, top of page 45 should read:

Recently I've had several experiences of the supposed Jewish fiscal mendacity and monopolising of the economy. I was overcharged for photocopying in the Wiener Library; I telephoned a Jewish organisation and received a telephone answering machine which told me to ring back between 9.30am and 1.30pm because they could no longer afford a telephonist; and the editor of a Jewish publication said he'd welcome a news article from me but that he couldn't pay me for it! One of my best friends is a rabbi who is currently unemployed!

Other errors include break spaces due to software incompatibility, and duplication of page 2 in some copies. The real thing will be available at 3.99 post free from the above address after the above date.
