

## ***International False Rape Timeline***

### ***- hangout (45) - Rape Jokes***

**I started with an update from Jack Rebolledo, who can be found on the Timeline at June 18, 2018.**

**I mentioned the James Veitch witch-hunt.**

**I mentioned the case of police officer Dave Humpherson - not a rape case or anything like it, but he was sacked on the spot for something that deserved at worse a severe reprimand.**

**I mentioned a case from 2006 in which a teenager was attacked, apparently by a drunk, and fought him off. Real victims fight back!**

**Now for the comedy.**

**I played a clip - audio only - of Gloria Allred and Linda Ridgeway Whitedeer.**

**Then I went through a few cases on the Timeline:**

**Andrea Cohen and Jeffrey Gordon.**

**The Canada case from Canada!**

**Charmaine Kui of Punta Gorda.**

**The dream rape case from liberated Zimbabwe.**

**The teacher who “entertained” four students then accused them of rape.**

**The late Professor Michael Patterson, in this connection I mentioned the earlier case of Lorraine Miles and Kenneth Cain.**

**The man with one leg accused of raping a 17 stone virgin.**

**The Gareth Linekar case.**

**Laurie Ann Martinez from California - the case that made a news anchor laugh. I played a clip about this.**
