

International False Rape Timeline – hangout (70) –

Potpourri II

This was indeed a potpourri. I covered:

The ongoing Benjamin Mendy case.

An American college case.

A case from Australia – small Asian powerlifters!

Comment from the police in India, etc.

The Ricky Martin case.

Ashley Biden’s diary.

A rape case involving an American politician.

Various other ongoing cases from the United States.

Allegations of sexual harassment against politicians in the UK.

Allegations against the legendary George Foreman. This should be fun!

Another allegation of sexual harassment from the United States.

Brainwashing by campus feminists.

Allegations from South Korea.

Various other cases including an amusing one from Malaysia.

A humorous case of what might be called sexual harassment which led to two police officers being sacked.

A discussion of unreported cases handled by a UK law firm.

An article by an American student airhead.

A police data issue.
