

International False Rape Timeline – hangout (72) –

Liars Incorporated

This hangout is about individuals and organisations who lie about rape and other crimes – real and imagined – in the full knowledge that they are lying. It includes two clips of Amy Goodman lying about and for double murderer Terry Williams and murderess Cyntoia Brown. The claims about these two nasties are contrasted with the official findings of fact from court records.

Rape Crisis Scotland is covered and the murder of Ian Galbraith by his wife Kim.

The activities of Justice For Women/Centre For Women’s Justice are discussed, in particular the cases of Emma Humphreys, Sally Challen, Farieissia Martin and Emma-Jayne Magson. I explain how Harriet Wistrich and Julie Bindel do this.

The activities (and lies) of Women Against Rape are discussed with particular reference to Lisa Longstaff, the Morgan marital rape case, false accuser Eleanor de Freitas and Rhiannon Brooker.
