

International False Rape Timeline

- hangout - (123) The Assault On Due Process

This hangout begins with an outline of these people and organisations who are attacking due process. I mention the María Clara Doctrine then go on to discuss statutes of limitations and the perfidy of Gloria Allred.

I go on to discuss the assault on due process in Scotland including corroboration, the not proven verdict and the Moorov Doctrine/similar fact evidence.

I go on to discuss the recent Law Commission report on rape and also discuss the Conor McGregor/Nikita Hand case from Ireland.

I discuss fabricated statistics - a favourite of the sexual grievance industry, and play a short, hilarious clip of what might be termed an accidental indecent assault.

I return to the lies being pumped out by Rape Crisis Scotland with particular reference to a recent newspaper article.

Then I discuss a recent report of a 14 year old girl who was indecently assaulted in her own home by two lowlifes and go on to mention flashbacks - which account for many rape allegations by drunken women and historical allegations of child sexual abuse.

I finish with some amusing research I did using GROK including the silence of the sexual grievance industry on the grooming gang scandal.
