

International False Rape Timeline

– hangout – (126) – Cranks With Credentials

Our first crank is Tara Palmeri. After some discussion I play part of a short clip of the odious Lisa Bloom explaining the non-appearance of Trump false accuser Katie Johnson at a press conference.

I mention Bloom's mother Gloria Allred and explain this smear technique.

I play an 11 second clip of Palmeri and Andrew Lownie.

I exhibit that now infamous photograph and compare it with another photograph – the one of serial killer John Gacy shaking hands with the First Lady of the United States.

I go over a lot of ground I've covered before, especially about Prince Andrew, discuss Giuffre's new allegations, including against her own father, then read from the excellent Michael Tracey, who had this bitch's number a long time ago. While reading from this, I also discuss her false allegations against Alan Dershowitz and the reason the so-called Epstein client list has not been disclosed.

I go on to discuss former supermodel Laurie Marsden, in particular her recent interview with Shaun Attwood. Marsden seems to believe everything the odious Virginia Giuffre said. She also believes the claims of another former supermodel Karen Mulder. I discuss her too.

Marsden has become a psychotherapist; she also opposes statutes of limitations.

I go on to relate some personal anecdotes and discuss therapy.

Then, I move on to Jon Wedger. I give some background to him and also play a clip of an angry Susan Hall grilling the odious Sadiq Khan. It was this or if not this actual interchange then what she was asking Khan about that led to Wedger being interviewed by more mainstream YouTube channels. The *Daily Express* has been taken in by him for one, or allowed itself to be taken in by him.

I play a short clip of Wedger talking nonsense about Jimmy Savile then say something about recent witch-hunts.

Next, I mention Mike Veale, the Chief Constable who torpedoed his career then go on to discuss Ted Gunderson briefly.

Next, I go on to discuss Ann Burgess, co-inventor of the mythical rape trauma syndrome.

After that, I cover the child sexual abuse accommodation syndrome; I read a letter by a woman published in the London *TIMES* and play a short clip of a man who was falsely accused in a remarkable case.

I finish with a few words about the rape crisis network.
