Thomas Salter "Tom" Caldwell

BIRTH	7 Sep 1944 Scotland
DEATH	24 Dec 1994 (aged 50) Crystal Palace, London Borough of Lambeth, Greater London, England
BURIAL	Beckenham Cemetery and Crematorium Beckenham, London Borough of Bromley, Greater London, England
MEMORIAL ID	192640696 ·

Tom Caldwell was born in Scotland but spent most of his working life in England. A one-time member of the Socialist Workers Party, he managed Catford Centre for the Unemployed, a small help centre based at 20 Holbeach Road.

He was divorced and had a daughter.

His life was shortened drastically by the sudden onset of a serious illness that led to him wasting away. He was put on steroids, that literally bulked up his muscles, and seemed to be recovering well, but was found dead in his Crystal Palace home on Christmas Eve, a shockingly young 50.

His funeral on January 9, 1995 was extremely well attended including not only voluntary sector workers but members of the music collective he had been instrumental in founding.
