Karen Jane Michelle Hadaway

BIRTH	22 Feb 1977
DEATH	9 Oct 1986 (aged 9)
BURIAL	Brighton and Preston Cemetery Brighton, Brighton and Hove Unitary Authority, East Sussex, England
MEMORIAL ID	194067202 ·

Karen Hadaway was a beautiful young girl, just nine years old. On October 9, 1986, she and her friend Nicola Fellows failed to return home. The following day, during a massive search, their bodies were found in a play den at Brighton's Wild Park. Both girls had been sexually assaulted and strangled.

Russell Bishop was tried for their murder in December 1987 but was sensationally acquitted. He went on to kidnap and nearly murder an even younger girl, for which he received a life sentence. He was still in prison in 2018 when it was announced he would stand trial again for the double murder.

Karen and Nicola were buried together.
