Dear

Please find enclosed our latest publication, *The Homosexual Plot To Destroy Orthodox Judaism*. We are sure you will find it both enlightening and shocking.

We are a Libertarian/Orthodox Jewish publishing house. Since we began publishing earlier this year we have received a torrent of abuse from the Jewish establishment, which is obviously hell-bent on destroying *Halakhah*. We are sending you this publication free, but our resources are extremely limited and we are in desperate need of funds to continue and to expand our publishing project. This is not a commercial venture; to date we been mailing out all our publications free, and we would like to continue to do so. Everything we have done so far has been funded out of our own pockets, but they are now all but empty. If you care about the future of *Halakhah*, and of your fellow man, please send us a donation, as much as you can, or bring our publications to the attention of potential sponsors. The leaders of the Anglo-Jewish establishment, including the Jewish press, are determined to destroy us the same way they seem determined to destroy Judaism and everything it stands for. Please don't allow them to do it.

You might also like to write to the following:

The Defence Committee of the Board of Deputies of British Jews. Ask them when they're going to stop wailing and gnashing their teeth about anti-Semitism - real and imagined - and do something about this cancer.

Julian Kossoff at the *Jewish Chronicle*. Ask him if he and his paper's failure to do anything but unequivocally condemn homosexuality sets a good example to the nations.

Greville Janner QC MP. Mr Janner is a distinguished lawyer, and as he was maliciously and quite falsely branded a paedophile a few years ago, we feel sure that he will utterly condemn homosexual depravity. If he doesn't, people will be entitled to draw their own conclusions.
