

Larry Klayman Explains How Rich Jews Buy American Politicians

This is a small excerpt from a live YouTube hangout between three Jews: Jason Goodman, Laura Loomer and Larry Klayman. Klayman is the founder of both Judicial Watch and Freedom Watch. Herein he says exactly the same thing as Ilhan Omar with her now infamous benjamins comment, and the same thing the craziest of the Jew-wise have been telling us for decades. So maybe these people are not so crazy after all? And maybe a lot of people owe Congresswoman Omar an apology.
