

VOMIT UK 20/99

Victims Of Masonic Ill-Treatment 15 May 1999

Anyone criticised or maligned in these publications has a guaranteed right of reply. JMF or P2 Lodge UK stands for the hierarchies of the Judaeo/Masonic Faction. The ordinary Mason and Jew are as likely to suffer from the machinations of the JMF as non-Masons and non-Jews are.

THE MASONS HAVE BEEN ORDERED NOT TO CHALLENGE THE FACTS PUBLISHED IN VOMIT. THE DIRTY BRIGADE HAS NEVER CHALLENGED THE FACTS. IT HAS GOT RID OF ITS VITRIOLIC BILE BY SNIPING AT THE MESSENGER. DEMON INTERNET LIMITED HAS ASSISTED THE MASONS. Demon should concentrate on making its equipment reliable and stop running up huge telephone bills for subscribers.

#### THE SHIRTLIFTERS

### Well spoken Vomit! Much as I despise and detest the human dung beetles who practice the "love" that dared not speak its name but now shouts it from the rooftops, the bombing in Shaftesbury Avenue was a diabolical act. Even faggots have a right to life. What I object to is their double standards. They shove their poison down our throats and then call us bigots for showing revulsion to their perversions. As to Mr Willmott's suggestion that we bomb Downing Street, he glibly attributes all the evils of the world to the machinations of politicians. Politicians are under pressure from minority groups. This results in bad legislation driven by minority groups who push for censorship, homosexuality, big business and even religious privilege. Although I am opposed to the bombing of Serbia I'm not the one who has to make the decisions. Obviously something has to be done to stop this ethnic cleansing, and just as obviously Blair and company will be attacked whatever they do or don't do. A\_Baron@abaron.demon.uk ###

#### Comment:

Who has heard of dung beetles cottaging, cruising, rimming or pushing dung uphill? We feel that dung beetles would take umbrage at the comparison between the useful work they do and what the shirtlifters do.

Blair is carried away by his delusions of grandeur. He should have resolved the Irish problem before tackling a similar problem in Kosovo. America like Britain depends upon its armaments industry to sustain a viable economy. Stockpiled weaponry does not generate jobs or profits. There has to be war. The Windbag is not dictated to by pressure groups but by suction groups. His focus groups look for votes and then offer incentives to minority groups with a fine disregard for morality or democracy. The Windbag is a control freak. One of his focus groups suggested that monkeys should be put on the electoral register and then selected as parliamentary candidates. They argued that, like Labour MPs, they would see all, hear all and say nowt and thereby avoid the possibility of another Dennis Canavan rubbing the Windbag's nose in the dirt.

#### MOHAMED AL FAYED

This is yet another own goal by Blair and Straw who probably acted on the advice of the Cardinal. When Mr Al Fayed appeared on a TV programme after having been denied UK citizenship he was greeted by thunderous applause and kissed by a bevy of pretty girls. We suggest that the low turnout at the recent elections confirmed what the people have to say about New Labour: "They are worse than the Tories".

There is some merit in Mr Al Fayed's allegation that the death of his son Dodi and Princess Diana was no accident. The last we heard
