Date: 03 January 2002

Dear BARON

**Name GEORGE**

**Prison Number FF5227**

Who is a Category (A) prisoner has requested that your name be placed on his list of Approved visitors in order that he may receive visits from you.

A Category (A) prisoner can only be visited by people who are designated as Approved Visitors under the provision of the Approved Visitor Scheme (AVS). Visits to certain prisoners who pose a high escape risk are subject to additional security arrangements to those set out in the AVS.

There is discretion, in certain cases, to allow CLOSE RELATIVES to visit whilst their approved visitor applications are being processed. Such discretionary visits normally take place in "CLOSED" visiting conditions. However, if you are currently having discretionary visits in this way, you should be aware that prompt completion of the AVS application would enable us to consider whether "OPEN" visiting conditions could be applied instead.

It is important to realise that a discretionary visit for close relatives is a temporary arrangement and does not entitle anyone to be accepted as an approved visitor.

In the light of the prisoner's request to include you on his list of approved visitors, I would be grateful if you could complete the form on the reverse of this letter and return it to the above address together with FOUR PASSPORT TYPE PHOTOGRAPHS OF YOURSELF.

The photographs should be taken full face without a hat. They should be no larger than 2.5 inches by 2 inches and no smaller than 1 inch by 1.5 inches, printed on normal photographic paper, unglazed on the back and unmounted. Photographs from slot machines are usually acceptable and if you are approved you will be reimbursed the cost of the photographs, paid by cheque, to a maximum value of TWO POUNDS.

It is important that you return the information as soon as possible. Delay in returning the form and photographs could result in discretionary visits being denied or approved visits being delayed.

After you have returned the completed form and photographs you may receive a visit from the police, who will contact you first, to check that you are the person named on the form and appearing on the photographs.

If you are a journalist or writer who wishes to visit as a friend and not in your professional capacity you will be required to sign a written undertaking that any material obtained will not be used for professional purposes or for publication by you or anyone else.

Please do not hesitate to contact the above address if there is anything you do not understand.

Yours faithfully

For the Governor (Visits Department)
