January 12, 2020,

Dear Sir,

You will recall that in May 2015 you prosecuted Farieissia Martin who murdered Kyle Farrell then claimed he had been stabbed by an intruder. You may not be aware that she is now appealing her conviction having suddenly recalled being raped repeatedly by the victim.

These rapes were not mentioned at the trial because they only happened after this woman contacted the sham charity Justice For Women. If you are not *au fait* with this outfit, it consists of the so-called journalist Julie Bindel and her lover, the corrupt lawyer Harriet Wistrich. They have developed a way around the *Criminal Appeal Act* by claiming to have discovered fresh evidence of mental disturbance of women who murder men, then adding to that claims of rape. They did this with Emma Humphreys, their star catch who died by her own hand in 1998. They tried it unsuccessfully with Jane Andrews, successfully with Sally Challen, and are now trying it again with Farieissia Martin and Emma-Jayne Magson.

You will find details including judgments for Challen, Humphreys and Martin linked from the above Timeline. I hope you will take appropriate action to stop this abuse of the criminal process.

Yours Faithfully,
A Baron
