BECK (Economics 84) and ANDY OBEID (Physics 83).

MARC HOPE (Literature 83) Advertising Executive for Capital Radio. CATHY HOGAN (Ling and Philosophy 84) Administrative Assistant at the City of London Polytechnic, ALISON EVERETT (PsychoLing 84) is a Systems Engineer at IBM London. IAN NEWBY (Elect.Eng. Engineering 84) is at the MOD and is 'Here, there and everywhere - Try Whitehall 1212, and is now engaged'. MARK FOY (Physics 84) is underpaid at STC in Cockfosters, hopes to go home to Dorset soon. ANDY WRIGHT (Economics 81) is getting married on 5 July 1986. GLEN TITMUS (Mathematics 84), is computing in Bedford. IAN GOSLING (Economics 84), is in Internal Audit at Godfrey Davis in St Albans. GARY SPIERS (Physics 84/85), PhD Edinburgh (Herriot Watt) is into Opto-Electronics.

ANTHONY GREENE(?) (History and Philosophy 84) is studying Law and burning midnight oil in a London garrett. KAY GILMEN (Literature 83) in in Data Logic in London. RICHARD THOMAS (PsychoLing 84) is a Warden at a home for unemployed youths in London. KEVIN WILSON (Computing 83) is teaching Computing in Milton Keynes. ARUN LAHIRI (Economics 83) is in his own words 'investing in the City.' BEN NOWMAN (Maths and Econ 84) is doing a PhD in Mathematical Economics at LSE. WISSAM ABOUNASSER (AFE 83) is living in Delaware, USA, and studying for MBA. GEORGE SAGHIR (Economics 83), completed MBA and is now back in Syria.

The following eight contributions were in the same handwriting, but it is not clear who actually came to the meeting: RACHEL SMITH (nee DRING) (Hist/Gov 84) is working for KP, happily married and probably tanned from a holiday in Granada. LIZ LANE (History 84) is installing Computers in Solicitors' Accounts offices which is very interesting and is living in SE London. JOHN PROBERT (Policy Making 84) tried London but now in Northumberland working as a Barrister's Clerk and maniacally driving his Morgan. CHRIS ROLKE(?) (History 84) is a Trainee Accountant in Southampton. TESSIE MUSTOE (Literature 84)

is now blissfully married to ANDY CROSBY 'Thanks for the wedding invitation - Love Liz and Claire.' REBECCA LEECH (Sociology 84) works for the GLC Police Monitoring Group in war torn Harringay. KRISTYA DELTEROO (Sociology 83) is working for the Civil Service in the Strand and very bored at present.

PAUL JEREMAS (Comp Syst 83) is doing a PhD at Imperial College. MICK SCOTT (Maths and Economics 85) is unemployed, youth, riotous behaviour (Cryptic, this one). IAIN JONES (Computing 84) is working for ICL in Reading - computers and all that jazz. KEVIN MCKIE (AFE 84) is reported to be a Labourer for Staffs County Council or maybe he is an Accountant. DAVID ARDLEY (Computing 84) is a Systems Programmer at ITL Winchester, and TONY SULLIVAN (Computing 84) is a Computer Programmer at Fraser Williams Commercial Systems London. We cannot vouch for the accuracy of the entry for STEVE HENNING, PETE CHIVERTON and STEVE RAYNER all Computing 84, since one is reputed to be a hairdresser in Milton Keynes, one a Guard on British Rail Watford, and the other a Trout Fisherman in Wales. Times must suddenly be difficult in the Computing trade!

CLIVE TOMKIN (Accounting 83) is an Accountant and TR6 enthusiast/Racing Driver in Oxford. SUE BURNELL (Computing 82/83) Details as before, not married and definitely not expecting, *still* working for OCR Scandata. Sue gives details of: ANGELA WILCOX (Maths/Comp 82) Northern Telecom, Maidenhead. MARILYN EVANS (Comp Science 81) working for Digital, living near Basingstoke. KEVIN SMALL (Comp Science 81) still in Germany, returning December 85. KAREN PEARCE (Biology 81) bored in Cambridge, working for Sealink. ALISON KESLAKE (Biology 81) still, I think, living in Northampton and working in a tannery.

MARTIN J BATH (Telecom Eng 82) with BT International, Offshore Task Force - head still above water. JIM THURSHILL (Elec Engineering 82/83) Also with BT not Plessey or GEC. BARRY REYNOLDS (Maths/Comp 82) is now playing rugby in Windsor. JOHN

PRODGER (Economics 83) is moving in rich circles in Woking.

The ubiquitous DAVE DENT (Computing 72) and ANN TILLMAN (Economics 75/77) (see also Colchester meeting report) say that he is in from Amsterdam (again) and *still* looking for PENNY FROST (please put the poor man and the readers of EG out of their misery P Frost and communicate with us). Ann said 'here but going.'

JANEY VESSEY (Literature 83), ALISON HARVEY and KATE THRIVES (History 83) are alive, kicking and living in London, busy running offices in the West End, for further details contact 625 4079 and they want to know is ANDY MAC (PMA 81) still there??

JULIA MURPHY (Literature 81) is surviving living in Brixton (01-737 6928) and send details of: HILARY WHICKER teaching English in Japan, RICHARD JANKOWSKI living in Nottingham, married and studying to be a psychiatric nurse, ROSE SANDIFORD is living in Welwyn and working for Threshers. PETER AVIS (Mathematics 67) says he is still the oldest person at this august gathering - but now seems to be the chair person as well. FRANCIS ADEGBILE (Maths/Comp 80) has own company, software consultancy FT Computer Services Ltd (01-519 5727) Old friends please make contact. CAROL TAYLOR (Mathematics 74) is a Contract Analyst Programmer, here and there. MARK TAHA (History/Government 80) is a part time Research Assistant for community project. JONATHAN BRUCE (Comp Sci 80) is working in Germany, where are A SAUNDERS, S CHALK and R ASHMORE? STEVE HERD (Comp 82) is reported as doing great work for Sachi and Sachi for the Tory cause (needs to learn to spell too.) DAVE KIRBY (Physics 84) is working for the Met Office, living in Winnersh.
