Dear David

I was extremely sorry to
hear of Pamela's untimely and so
unexpected death. It is disconcerting
how the good ones so often seem to
go early while the old battleaxes
of moral righteousness are spared
to do their worst into very old age.
Enclosed is a small contribution
for the donation you are making.

You have seen ill I see - which
I didn't know about. You say you
are recovered and I hope what

means fully so.

Good news that the sponsors
have delivered and that the
AGM can go ahead. Looking
forward to hearing from you
again soon.

As ever best

Sincerely

Sandy
