BACK TOGETHER AGAIN...

Yes indeed, it has taken it a little longer to re-open than we had expected - hope you weren't holding your breath.

We won't bore you with all the details but very briefly, we checked out more than a few premises which turned out to be unsuitable for one reason or another. However, we did eventually strike gold with the Reflex Club which is certainly the ritziest venue we've had yet (address details on the back of the Events page).

We can't pretend it's *quite* as central as previous clubs, so if you're coming from the north or east, it'll take you another ten minutes to get there. But if you're travelling from the south or west, it'll be closer!

The facilities at the Reflex really are first class, the drinks prices are reasonable (£2 for a gin and tonic; £1.75 for a beer; £1 for soft drinks, etc.), food is available and there's plenty of comfy seating. All in all, we're sure you're going to like it a lot.

Incidentally, if your membership has expired, it can be renewed at the door as always, and where applicable, we'll add up to four extra months to the validity of your *new* card to compensate for any time lost while we were closed.

Here's hoping we'll be seeing you all very soon.

Luv on ya!

PS. Members often phone for info about other clubs abroad and we're always happy to oblige where we can. But we need *your* input so we can pass the details on to others. So please let us know about any places you hear about or visit yourselves (particularly in France, Germany, Holland and the USA) - address, prices, opening hours and your general impression - and let others benefit from your experiences.
