Attn : Cultural Attache

Dear Sirs;

This Committee is one of the affiliated organizations of the Ministry of Culture, handling the deliberations of movies, drama plays, musics, videos and all the performing arts.

We have been studying the present situations of the other countries on the above mentioned works. We would be more than happy to receive all the concerned laws, regulations, and/or any forms of standards for the means of ethics review of the performing arts in your country, especially the movies.

Your prompt and kind cooperations on this matter would be very appreciated.

Thanking in advance, we remain,

Respectfully Yours,

CHONG WON, KWAK
