*P.S. you may hear from Angus Hamilton about updating the Bill to include more homophobic law reform. see attached.*

Dear **Ted**

Invitation to join our Formal Delegation to hand in the Second Instalment of Petitions for sexual reform and the SFC Sexual Freedom Bill

Wednesday 28th October 2.30 for 3.00pm

The SFC will be delivering the second instalment of our petition, "Sex Please — We're British" to the Home Secretary at the Home Office in Queen Anne's Gate, London SW1, in stark contrast to our Sexual Freedom Parades.

We will be a small group of formal and serious delegates from a broad and diverse range of organisations and individuals concerned for the reform of Britain's antiquated sex laws. We anticipate about fifteen people, and the media are being invited.

Each delegate is encouraged to bring a supply of press statements on behalf of their organisation or personal crusade, hopefully linked to this occasion.

I apologise for the short notice of this appeal, which has resulted from our wish to coincide this event with the filming of a BBC1 Panorama documentary, and the imminent review of sex laws by the Home Office.

We propose five short speeches by a selection of leading personalities including Chad Varah CBE (church minister and founder of The Samaritans), while press statements are distributed.

Therefore, I appeal for yourself, or a representative of your organisation, to join us on 28th October in our bid for sexual freedom for all consenting adults, and look forward to hearing from you soon.

Hoping very much that you can join us. More details overleaf.
