THE SEXUAL FREEDOM COALITION formed in 1996 as a protest march to Downing Street following a spate of State sex repression of erotic events & culture.

RADICAL AND REALISTIC, OPEN, DEMOCRATIC AND CENTRED, the SFC has written a Sexual Freedom Bill, arranged Parades through London, a Petition, Prostitution Pride and direct action, published a newspaper *Consenting Adults*, set up helplines and a Website, and held picnics and parties.

WE ARE A PANSEXUAL, PANPOLITICAL AND PANCONTINENTAL UNITED FRONT for the sexual emancipation of ALL consenting adults by repeal, reform, revolution, and by all means necessary.

TODAY WE WIN EVERY MEDIA DEBATE, EVEN AT THE OXFORD UNION! SFC supporters endeavour to use their influence wherever possible

SFC IS FUNDED BY FUN: through ARCADIA and SATURNALIA benefit nights — 'Propaganda by Deed'— where erotic experimentation has a multicultural edge. Thus activists gain experience of what living in a liberated society could actually be like.

The SFC has developed an Etiquette Code and a team of social stewards.

WE WELCOME WORKING ALLIANCES with other progressive, libertarian and counter-cultural groups, to agitate and educate for a liberated new millennium, plus enjoyment running up to it.

WHEN CORRESPONDING please try to enclose a donation, however small, and tell us how you might get involved through helping at parties / stalls / direct action / admin / collecting news / newspaper distribution / legal advice / performing at our Sex Workers Show'n'Tell / other ideas.

CONSENTING ADULTS costs £1.50 per copy, or £20 subscription.
