*the Heavenly SEX MANIAC'S BALL*  
(Friday 22nd March, 10th ANNIVERSARY)

was cancelled at the last moment  
at The Brixton Academy  
due to Police pressure

*The nine previous balls have been held  
without any problems, with police and local council cooperation.  
This year, for unknown reasons, police pressure was applied to the  
Brixton Academy, who then pulled out the day before the event.  
The volunteers found another venue, Bagleys, and were about  
to start the Ball, when Bagleys were warned off holding the Ball  
by the police, at the last moment.*

### WHAT IS GOING ON?

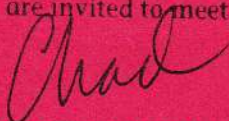

There had been months of preparation, all done on a voluntary basis,  
to raise money for Outsiders—a self help group for disabled people,  
founded by Tuppy Owens, to find partners—their only form of financial support.

2,000 fun-loving guests arrived from all over the world to enjoy the banquet, buffet, Erotic Oscar Awards, dance  
through the night and spend money at the erotically inventive side-shows.

Thousands of pounds of charity money had been invested— £8,000 on food alone, and Cicciolina,  
the famous ex- Porn Star / MP from Italy, who was to present the prizes on the Friday night, instead gave the  
food away to the homeless at St Martins-in-the-Fields.

### The Erotic Oscars Exhibition

will be at The Conway Hall  
and the Awards will be presented at the end of the protest meeting  
Press are invited to meet the nominees and winners at 1.45pm.
