9TH EROTIC AWARDS

Nomination Form — deadline 9th September 2002

The Erotic Awards honour people who choose to work in sex, especially those who are uninhibited, free-thinking and inventive.

Emphasis is on sharing creativity and diversity, rather than serious competition.

Please send your nominations by 9th September, with sufficient details for us to locate them.

Nominations must be available or have appeared in Britain.

If they have already won an award, they cannot be nominated in that category again.

Nominations must have been produced / worked in the past year. They are judged on their most recent material.
