Dear Tuppy,
Thank you very much for
the invites to the Ball. I thoroughly
enjoyed the presentations! Rockbitch
deserve greater recognition by the mainstream
media - as do you! The organisation was
superb. I enclose some more bits and
pieces. Do keep me (for AC) informed
about the liberals - who seem to be the only
Party with the right attitude these days.
The Labour Government's Sex Offences Act
completely fails to address the sex industry.
Best wishes
Ted Goodman
