Dr Tuppy Owens  
BCM Box Lovely  
London  
WC1N 3XX

*Dear Dr Owens*

Baroness Linklater has asked me to thank you for your letter asking her to support your response to the Home Office Consultation Paper on Prostitution.

Although she supports your cause in principle she is regrettably not currently in a position to be able to give you the active backing that you need. She would like to wish you all best with your response and finding the appropriate support you are looking for.

With best wishes

*Rowena Diggle*
