Sexual Freedom Coalition

March 2005

Dear Ted,
Sorry about the delay. Been getting geared up for this year's events. Here's the latest version of the Law doc.. Our website is nearly ready & it will go up as soon as I get this back from you with the go-ahead.

Joseph Rountree Reform Trust

looks as though they really want a topical project to finance - rather than financing an office for two tired-out campaign organisations. What has CAC done, if anything? Anyway, I shan't contact them till our

Website is looking better.

How is the job search going?

I shall shortly be sending details
of the conference. Be sure to get
there.

Jerry
