# who *is* AITA?

The Adult Industry  
Trade Association  
promotes the *best*  
interests of the adult  
goods and services  
industry.

# aims & objectives

To secure a legal and non  
discriminatory environment  
for all adult businesses to  
operate within

To co ordinate a national  
campaign of lobbying  
government on adult industry  
issues

To bring individual members  
of the industry together to  
help grow their businesses

To provide an information  
network for the industry and  
its members

To provide an *information network* for  
the industry and its members
