1st October 2010-

Dear Tuppy,

Many thanks for your letter of the 23rd august. Apologies for the lateness of the reply. I have been very busy helping CAC, FAC, Libertarian Alliance , NCROPA and anyone else who might be interested in submitting legal reform proposals to the Deputy Prime Minister. Apart from Dr Gabb of LA no-one does their own drafting ! In Germany Members of Parliament get expenses for hiring a lawyer to draft their proposals for legal reform. Would that such a system existed here! I will let you have copies of other organisations' submissions as soon as they are to hand.

I am revising my Bill slightly. When that is done I will scan it and e-mail it to you. Really however, formal hard copies should be distributed as this is legal reform not mere e-mail suggestion. . There is no point in preaching to the converted by like-minded organisations incestuously e-mailing each other, instead of sending a proper Bill to the Deputy Prime Minister ! I assume you will give a copy of my Bill to whoever is taking over your duties at SFC. Alternatively, if you let me know the details of who that is, I will save you the trouble by communicating direct. I am sad to learn that you are taking a less active role.

If, however, you are prepared to do the work, I can meet you in London and discuss explanation for the Bill, when my revision is ready. The Bill itself, however, has to be in legal language to be credible as a serious proposal for legal reform. Meanwhile please note the important Canadian Court decision on prostitution , details of which I have enclosed. That can be used as an argument for liberalisation.

I will ring you when I am ready. We could meet in a pub near a main line railway station in London at 7pm one weekday evening. . My best stations are London Bridge and Victoria. Do you have fixed dates when you visit London? Do please let me have a Sex Maniacs Ball ticket. CAC always sends a representative and I promise (confidentially) it will never again be Brian Seager

Finally, I assume you know that "Desire" Magazine has been replaced by "Foreplay" who are supportive, despite the couple who ran "Desire" retiring to Spain !

Best wishes,

Goodman
