Dear Mary,

I do hope you are getting better. Meanwhile, I enclose some copies to show that I am keeping CAC active.

Pursuant to Webb's death, I am acting Director of NCROPA. I propose to arrange that it be wound up and its members be invited to join CAC. Before so doing, however, I need CAC's permission. We should, therefore, convene a Council Meeting to approve this. Please contact me, as I have a duty to deal with NCROPA within a reasonable period. I am not prepared to call a Council Meeting without your approval.

Best wishes,

Goodman.
