

We thank **Lady Anna** for her generosity to the serious supporters of this Rally, and trust you will be respectful of her hospitality.

Code of Etiquette

Unfortunately, some people misunderstand SFC events, assuming them to be a free-for-all, where women are "game".

The reverse is true — we provide an environment where everyone can feel free to express their sexuality without the intrusion of others.

The stewards should be told if anyone annoys you, so they can try to explain this to the offending party.

- *Never touch anyone else unless they have indicated consent*
 - *If you see two or more people enjoying each other, don't presume you can join in, crowd them or do anything other than stand where you are, and admire*
 - *Don't treat subs with contempt unless it is part of your domination ritual and conducted with loving care*
 - *Should any guest repeatedly intrude on your space, behave disrespectfully or irritate you, please inform our Stewards immediately*
- *We attempt to train our Stewards to handle such matters and help people feel relaxed enough to be themselves. However, the size of this Parade and Party has not made this totally feasible for this occasion.*

The SEXUAL FREEDOM Parade

Saturday 21st June 1997

Summer Solstice

"People who talk about revolution and class struggle without referring explicitly to everyday life, without understanding what is subversive about love and what is positive in the refusal of constraints, such people have a corpse in their mouth."

Raoul Vaneigem

"The Revolution of Everyday Life"

WHAT WE ARE DOING

This Parade is taking a Sexual Freedom Bill and Petition to the Home Secretary, in the hope that the new Government will allow consenting adults to enjoy the same freedoms enjoyed in the rest of the European Union.

THE PETITION

If you have not yet signed the petition, or gathered signatures from your friends, please pick up copies when you reach the picnic and get signing. We know the mass population agree with us, but only the brave will stand up to be counted. We know you are one of these.

WHY IT'S IMPORTANT

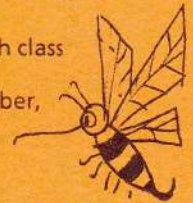

Our Parade is pansexual, promoting sexual freedom for all, including disabled people, equal laws for gays, and no more state interference in our bedrooms, events, mail, computers, phone calls or parties.

BIRD SONG OF THE SEXUAL FREEDOM PARADE

CHORUS:

***Birds do it, bees do it, even judges and MPs do it;
Let's do it, let's legalise sex!***

Sex is real, I'm no pretender; it cuts through class
and race and gender,
So let's be sure that when it comes September,
we legalise sex!

CHORUS:

(Because if birds do it, bees do it...)

Sex is like a butterfly, keep it in a bottle and it will die,
But this Parade knows how to fly, so let's legalise sex!

CHORUS:

(Because if birds do it...)

British sex laws are an old fun-killer, let's break the cocoon
of a caterpillar,
Petition the Home Office, Party at the Villa,
let's legalise sex!

CHORUS:

(Because if birds do it...)

Can't they see we're making waves, for dope, for E,
for all night raves,
We want fun before we're in our graves so let's legalise
DRUGS!

CHORUS:

(Because if birds do it...Let's legalise DRUGS!)

Lovebirds of every feather, unite today and step together,
We're not here to talk about the weather, we're here to
legalise sex! **Start again...**
