Dear Ted,

Thanks for your recent letter and addition to the Sexual Freedom Bill. We can glue in errata slips on our remaining 140 copies, and include it in a reprint.

The SFC ~~is~~ needs to decide strategy for the Bill soon, therefore I particularly hope that you can join the meeting of the Steering Committee this Wednesday 5th November, at 8.00 PM at Tuppy's home.

Sorry for such short notice. If you cannot come, I will read the relevant sections of your last two letters to the meeting.

With best wishes,

Tim Summers.

(Chair, SFC).
