"Don't give up. Beat a teddy toy up. Get lost mum, I hate your guts! But I'm sure they..."

The Independent Television Companies' Association (ITCA) and the Association of Independent Radio Contractors (AIRC), the trade associations

which examine advertising for commercial television and radio, have banned advertisements for the record. A spokesman said: "We considered the record itself was unsuitable for advertising on family media like television and radio."

The BBC said last night that it had banned none of the tracks on the record, but...

# SEX PISTOLS IN A NEW 'FOUR LETTER' STORM

### Shops ban LP by punk band

THE Sex Pistols punk rock group, who shot to fame on a bandwagon of swearing and shocking behaviour, have created a new storm with their first LP. The album—already guaranteed a gold—has already guaranteed a...

the commercial station's top ten. A spokesman said Capital would not play the record because of a line in the lyrics likening Belsen to a holiday camp.

**Unanimous**  
Mr John Jackson, of the Independent Television Companies Association, said yesterday: "It is not the wording or the form of the ads but the product itself we object to. The decision was unanimous."

In London, record shop manager Mr Pete Sennett, has been warned by the police to cover up the word "..."

Asked why people are frightened by the very mention of his band's name Rotten replied: "Because they are pathetic wimps. It's called honesty and it always frightens people — always."

**A RECORD-SHOP manager was arrested this afternoon in connection with the display of a controversial new punk rock disc the Sex Pistols.**  
The record—entitled "Never Mind the Bollocks, Here's the Sex Pistols"—is now at No 1 in some charts. Police...

# SEX PISTOLS

However, a detailed Shakespearean knowledge may be needed to appreciate the full implications of the record's title. For in Henry V, Act Two, Scene Two, loud-mouthed, thuggish Pistol says: "I do retort the solus in thy bowels. For I can take, and Pistol's cock is up. And flashing fire will follow."

### New Sex Pistols record banned

By JOHN BLAKE  
A SWEAR word in the title has led to the first album by the controversial Sex Pistols being banned by all branches of W. H. Smiths, Woolworths and Boots. The record, Never...
