### Gable's Mole Exposed in Leeds!!

Leeds BNP Security Unit, assisted by other local patriots, worked for a long time to isolate and mislead the mole that Gerry Gable and AFA had tried to plant amongst local nationalists. The full story of this undercover war in Leeds is now told in the booklet **White Lies**, available from the above address at only £3.50 inclusive of post and packaging.

The booklet exposes how Gable set up a C18 cell in Leeds and used it to incite violence against the local Anti Nazi League. Read how West Yorkshire police worked with local reds to try and set up nationalists for arrest. This booklet will blow sky high the myth that the SWP and other reds are fighting the system. In fact, this booklet will expose how the leadership of the SWP use their streetsealers as pawns, as they play the Establishment game. Send this booklet out to ALL your local reds and let them see the truth about their sorry movement!!

The most damning evidence in this booklet is the collusion of the local police - with red agitators, with a pornographer - merely to set-up local patriots. Leeds AFA, West Yorkshire Police and Gerry Gable, all working together with the SWP as scapegoats. Use this booklet, and blow apart all these anti-racist fronts!

We can arrange bulk order discounts, i.e. 10+ at £3.00 each, 15+ at £2.75 each and 20+ at £2.50 each - all inclusive of postage. Copies of the "mole's" full confession of his collusion with AFA and Special Branch are available for those who send 5 x 1st class stamps.

Leeds BNP can arrange for a speaker to address local Branch meetings on the subject of the undercover war waged by the State against our movement, please write to the above address, giving at least fourteen days notice of your meeting.
